

NAMIBIA

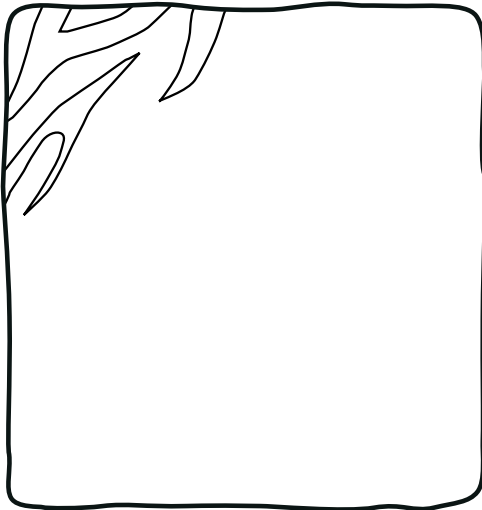

CMS missionaries teach the Bible at a Bible college in Namibia. They want to share God's love for us in Jesus in different ways, including teaching the Bible, and also using their different skills to help people.

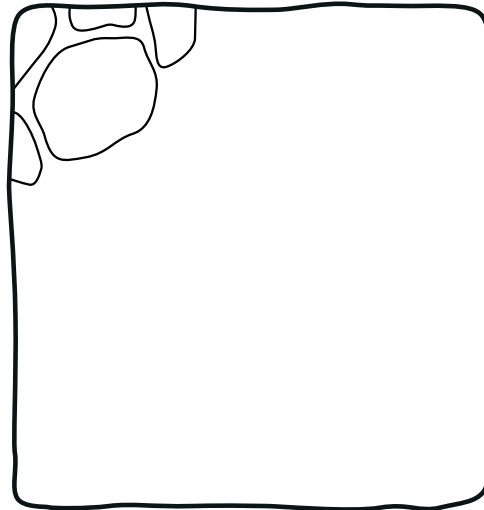

ACTIVITY

See if the collective nouns of these animals can help you draw the patterns of their skin! We've started them off for you.

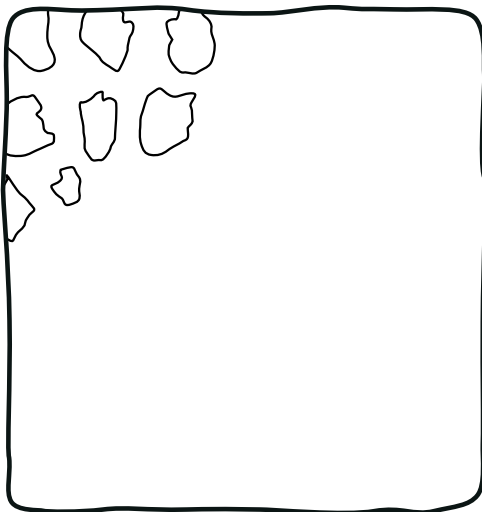

A dazzle of zebras

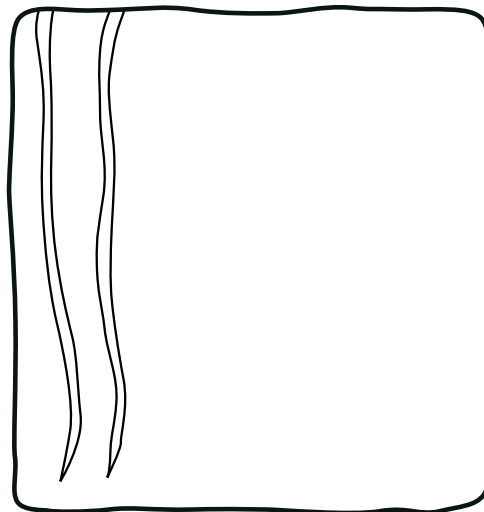

A tower of giraffes

A coalition of cheetahs

A herd of antelopes

Did you know?

Namibians enjoy more than 300 days of sunshine each year!

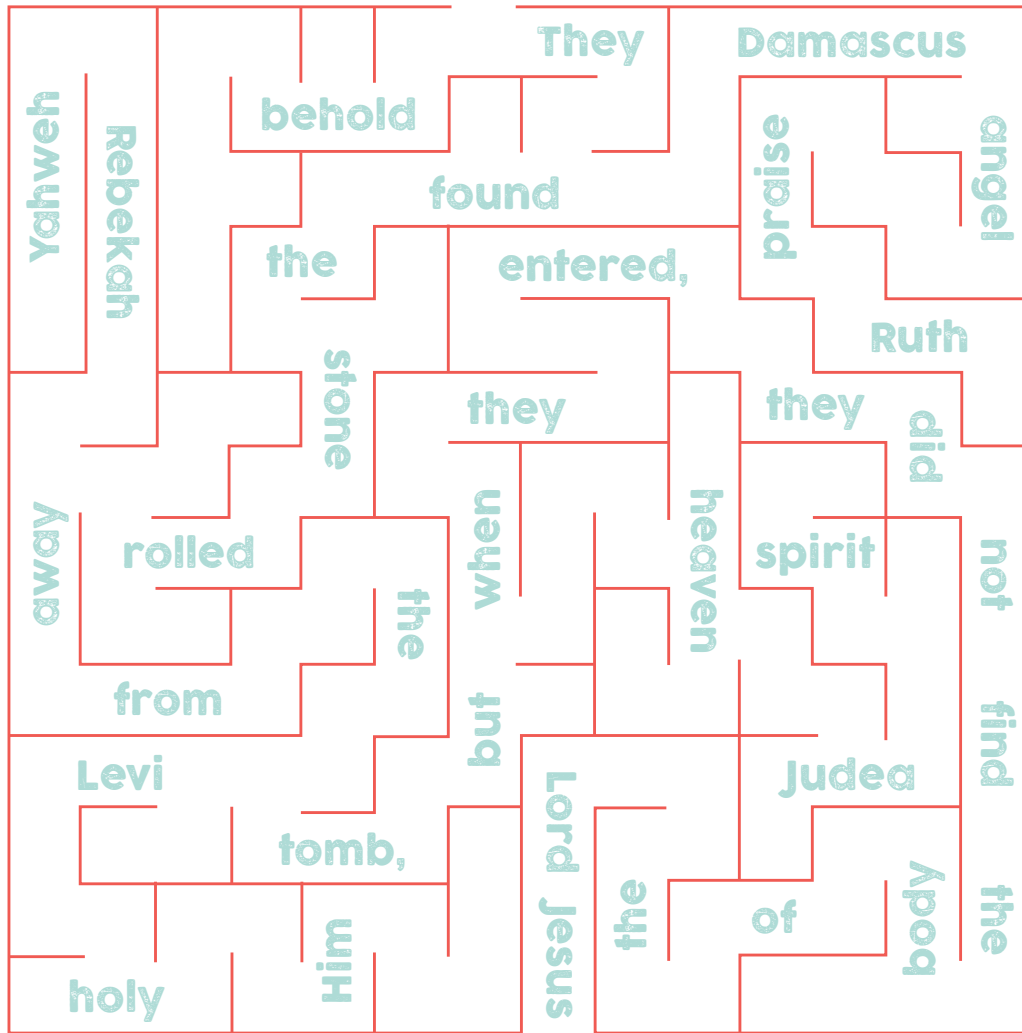

Fun fact:

Kids in Namibia don't have lots of fancy toys so they play with anything, such as a towel.

BIBLE CHALLENGE

This maze has words from **Luke 24: 2-3** but they are jumbled with words from a different Bible verse. Read this passage to help you find your way through the maze!

HINT: USE YOUR BIBLE IF YOU GET STUCK

PRAY

Thank God
that because of Jesus, people from many different cultures can love each other as brothers and sisters.

Ask God
to help CMS missionaries love the students in Namibia, and help those who are poor to love and trust Jesus.

Whenever it's a **sunny day**, pray for Namibia!
