SERVING GOD IN MADAGASCAR

Toliara

Hello

We live on a big island near Africa called Madagascar! Our city is in the desert part of the island, so it's very hot and nothing really grows here except spiky plants and big baobab trees. But God's church is growing and lots of people are coming to know and trust Jesus as King. We're here to help teach the Bible so that these friends can keep growing to know and love Jesus.
