SERVING GOD IN PAPUA NEW GUINEA

Hello

Gutpela apinun—this is ‘good afternoon’ in Tok Pisin, one of the languages spoken in Papua New Guinea. We live in the capital city, Port Moresby, which is only a three-hour flight from Brisbane! People have come from villages all over the country to live in the city. There are more than 800 cultures and languages here! We work at the university helping students to read the Bible and grow to know Jesus more. We want them to become godly leaders and pastors in their community.
