SERVING GOD IN JAPAN

Hello

I live in Kyoto city in Japan. There are a lot of old buildings here because it was the capital city of this country until the late 19th Century. Only a tiny number of the people living in Japan know about Jesus. I am learning Japanese so I can share about Jesus with students. There are 34 university campuses in the relatively small city of Kyoto, so there are lots of opportunities to meet students and encourage them to learn about Jesus!
