

Derk & Susan

SERVING GOD IN SOUTH ASIA

Hello

In our city, when we go shopping, we see many donkeys pulling carts full of fruit and vegetables. Most children go to bed very late here and the whole country loves to eat very spicy, oily food. Derk teaches about how to care for the environment at a university. Susan teaches students and high school teachers about God and the Bible. We love telling people about Jesus; there are so many people here who don't know him.
