SERVING GOD IN KENYA

Hello

Hello! I live in a small beachside town called Watamu in Kenya. It is a beautiful place with turtles, dolphins, monkeys and elephants. I'm here to help people know that Jesus created all these wonderful animals. He is the creator and king of all creatures on earth—including you and me! I pray that the people of Watamu will come to love Jesus as their king and be excited to live for him.

Thank God that he is a good king and loves the world that he made.
