SERVING GOD IN NORTH AFRICA

Hello

My city is in between some big mountains and a big desert. In winter, the mountains are covered in snow and look really close, but in summer all the sand from the desert fills the sky and we can't even see the mountains. I'm an English teacher in a small school. I help kids and adults speak English. I also tell them that I follow Jesus and try to share with my friends that Jesus loves them.
