SERVING GOD IN TANZANIA

Hello

We live in Arusha, Tanzania, right next to two big volcanoes – Mount Kilimanjaro and Mount Meru. But they haven't erupted for a very long time. Phew! What has 'erupted' is the number of new churches near us! It's very exciting that Tanzanians are sharing the good news of Jesus and many new churches are starting. These new gatherings need leaders! We're teaching at a Bible college to train new leaders, so that they can go back to their villages and teach others about Jesus.

ALL YEAR PRAYER

Thank God for all the new churches that have started because of evangelism and more people coming to know Jesus.

Ask God to help church leaders like Petro and Baraka, who are very new Christians, learn about Jesus at college so they can go back and teach the Bible in these new churches.
