SERVING GOD IN TIMOR-LESTE

Hello

Timor-Leste is on a tropical island that is the shape of a crocodile's head. It has mountains down the middle and nice coral reefs around it. It's less than half the size of Tasmania. It is also one of Australia's nearest neighbours. We help pastors to lead their churches and proclaim God's work better and better. We also help publish books in the Timorese language Tetun, for children, youth and adults so they can know, love and trust Jesus more and more.

ALL YEAR PRAYER

Thank God that the Big Picture Story Bible is now in Tetun and that many Timorese kids are reading and listening to it on the radio!

Ask God that the many Timorese people who don't yet know Jesus, will hear about him, trust in him and be saved.
