SERVING GOD IN SINGAPORE

Hello

We live in Singapore, which is a small island with a lot of people. There's not much space so most people live in apartments. People here, even school children work very hard so they can have good jobs. They also love shopping and going out to eat. We're teaching at a Bible college so church leaders can learn more about Jesus from the Bible and then teach others about him.

ALL YEAR PRAYER

Thank God that lots of people are studying at the college so they can get better at teaching others about Jesus.

Ask God to help the students learn a lot about Jesus as they study the Bible, and that they will love him most of all.
