SERVING GOD IN SOUTH EAST ASIA

Hello

I am living in a South East Asian city that's hot and humid all year round. I'm focusing on learning the local language so I can develop relationships with people in the community. I plan on teaching English to young adults at a language centre in my city. I hope to share the good news of Jesus as I build friendships with people.

ALL YEAR PRAYER

Thank God that I can serve him on location, and for the language centre team I will be working with.

Ask God for new relationships to grow and for his continued protection as I learn the language and culture.
